

## The Governing Body

Governors are one of the largest volunteer forces in the country and have an important part to play in raising school standards. The Governing Body's role is a strategic one, and ours consists of a variety of stakeholders with the requisite skills to collectively hold the school to account.

The Governing Body's core functions are to ensure high standards of achievement for all children by:

- Setting the school's vision, ethos and strategic direction;
- Holding the headteacher to account for the educational performance of the school and its pupils;
- Overseeing the financial performance of the school, ensuring probity and value for money.

The Governing Body consists of both elected and appointed governors, as described below.

Full governing body (FGB) meetings are held at least three times per year and more often when needed. More detailed discussions are held in sub-committees or working party groups. The three sub-committees are Learning and Development (L&D) and Resources, both of which meet at least three times a year, the third Pay and Personnel meets on an ad hoc basis as required.

### The Governing Body 2015-2016
