

CAGE GREEN PRIMARY SCHOOL

Exciting Start for Cage Green!

We have had a brilliant start to our sporting achievements this year at Cage Green. Both the netball and football teams have been training extremely hard during their club sessions. Both teams will be taking part in matches against other schools throughout the year. Already, they have played a few games:

On Wednesday 3rd October, 10 children from Years 5 and 6 took part in a football match against Royal Rise Primary School. They finished the match with a **5:0 win** and Miss Scott was extremely proud of their determination, their team work skills and how they represented the school.

Following on from this, on Wednesday 17th October, both the Netball and Football teams travelled to St Margaret's Clitherow Primary School. It was the first match of the season for the netball team. They showed some brilliant passing and scored some fantastic goals early on in the match. However they unfortunately lost the game 10-2. Both Poppy and Ella (Year 6) were voted player(s) of the match by the St Margaret's netball team. The football team again showed fantastic team work skills and resilience throughout the match. It was a very close game and the support from our parents really helped the players to persevere and end the match with a 3:2 win!

We are all extremely proud of both teams and are excited to see all their achievements throughout the year.

Clubs

As the new school year started, new exciting sports clubs began. We are so fortunate to have a range of clubs available at Cage Green, especially sports clubs. It has been great to see so many of our pupils engaging in these and I have listed a selection below:

- Football Club (Wednesday and Thursday)
- Dance Club
- KS1 Netball Club
- KS2 Netball Club
- Ultimate Frisbee
- Archery
- Fencing
- Handball

We would love to see more of you participating as we think we have a lot of talent within the school.

We are particularly looking for more children (both boys and girls) to join our Key Stage 2 Netball Club. If you would like to join our Netball Club, please don't wait for the new club list but speak to the office as soon as possible (Lunch time sessions on Mondays and afterschool on Wednesdays).

It's great to hear so many of you participating in clubs out of school too. If you have any specific sporting achievements from out of school, please bring them in and share them with your class and Miss Scott!

PE Curriculum

During the next term, children will be mostly working on gymnastics skills/dance and invasion games skills.

Foundation – Fundamental Skills

Year 1 – Large Apparatus gym and invasion games

Year 2 – Football skills and keysteps gym

Year 3 – Quicksticks hockey and large apparatus gym

Year 4 – Quicksticks hockey and dance

Year 5 – Quicksticks hockey and large apparatus gym

Year 6 – Quicksticks hockey and dance
