1. Creating an Online Safety Ethos

1.1 Aims and policy scope

Cage Green Primary School and The Phoenix Centre for Autism believes that online safety is an essential element of safeguarding children and adults in the digital world, when using technology such as computers, mobile phones or games consoles.

Cage Green Primary School and The Phoenix Centre for Autism identifies that the internet and information communication technologies are an important part of everyday life so children must be supported to be able to learn how to develop strategies to manage and respond to risk so they can be empowered to build resilience online.

Cage Green Primary School and The Phoenix Centre for Autism has a duty to provide the school community with quality Internet access to raise education standards, promote pupil achievement, support professional work of staff and enhance the schools management functions. Cage Green Primary School and The Phoenix Centre for Autism also identifies that with this there is a clear duty to ensure that children are protected from potential harm online.

The purpose of Cage Green Primary School and The Phoenix Centre for Autism online safety policy is to:

- Clearly identify the key principles expected of all members of the community with regards to the safe and responsible use of technology to ensure that Cage Green Primary School and The Phoenix Centre for Autism is a safe and secure environment.
- Safeguard and protect all members of Cage Green Primary School and The Phoenix Centre for Autism community online.
- Raise awareness with all members of Cage Green Primary School and The Phoenix Centre for Autism community regarding the potential risks as well as benefits of technology.
- To enable all staff to work safely and responsibly, to role model positive behaviour online and be aware of the need to manage their own standards and practice when using technology.
- Identify clear procedures to use when responding to online safety concerns that are known by all members of the community.

This policy applies to all staff including the governing body, teachers, support staff, external contractors, visitors, volunteers and other individuals who work for or provide services on behalf of the school (collectively referred to as 'staff' in this policy) as well as children and parents/carers.

This policy applies to all access to the internet and use of information communication devices including personal devices or where children, staff or other individuals have been provided with school issued devices for use off-site, such as a work laptop or mobile phone.

This policy must be read in conjunction with other relevant school policies including (but not limited to) safeguarding, anti-bullying, behaviour, image use, acceptable use policies, and relevant curriculum policies including computing, Personal Social Health and Education (PSHCE), Sex and Relationships education (SRE).

1.2 Writing and reviewing the online safety policy

Cage Green Primary School and The Phoenix Centre online safety policy has been written by the school, building on the KCC online safety policy template. Children, parents and governors have been involved in the review of this policy.

The policy has been approved and agreed by the Leadership/Management Team and the Governing Body.

The schools online safety policy and its implementation will be reviewed at least annually or sooner if required.

The School Online Safety Coordinator is Graeme Garthwaite, Head Teacher.

The School Designated Safeguarding Leads (DSL) are Graeme Garthwaite, Catherine Wickham, Jo Wilson and Jamie Gurr.

The School Online safety lead for the Governing Body is Monica Pell.

1.3 Key responsibilities of the community

1.3.1 Key responsibilities of the school management team are:

- Developing, owning and promoting the online safety vision and culture to all stakeholders, in line with national and local best practice recommendations with appropriate support and consultation throughout the school community.
- Auditing and evaluating current online safety practice to identify strengths and areas for improvement.
- Supporting the online safety (e-Safety) lead in the development of an online safety culture within the school.
- Ensuring there are appropriate and up-to-date policies and procedures regarding online safety.
- To ensure that suitable, age-appropriate and relevant filtering is in place to protect children from inappropriate content (including extremist material) to meet the needs of the school community and ensuring that the filtering and school network system is actively monitored.
- Ensuring all members of staff receive regular, up-to-date and appropriate training regarding online safety roles and responsibilities and provide guidance regarding safe appropriate communications.
- Ensuring that online safety is embedded within a progressive whole school curriculum which enables all pupils to develop an age-appropriate understanding of online safety and the associated risks and safe behaviours.
- Making appropriate resources available to support the development of an online safety culture.
- Taking responsibility for online safety incidents and liaising with external agencies as appropriate.
- Ensuring there are robust reporting channels for the school community to access regarding online safety concerns, including internal, local and national support.
- To work with and support technical staff in monitoring the safety and security of school's systems and networks.
- To ensure a member of the Governing Body is identified with a lead responsibility for supporting online safety.
- To ensure that the Designated Safeguarding Lead (DSL) works in partnership with the online safety (e-Safety) lead.

1.3.2 Key responsibilities of the designated safeguarding/online safety lead are:

- Acting as a named point of contact on all online safety issues and liaising with other members of staff and agencies as appropriate.
- Keeping up-to-date with current research, legislation and trends.
- Coordinating participation in local and national events to promote positive online behaviour, e.g. Safer Internet Day.
- Ensuring that online safety is promoted to parents and carers and the wider community through a variety of channels and approaches.
- Work with the school lead for data protection and data security to ensure that practice is in line with legislation.
- Maintaining an online safety incident/action log to record incidents and actions taken as part of the schools safeguarding recording structures and mechanisms.
- Monitor the school online safety incidents to identify gaps/trends and update the education response to reflect need and to report to the school management team, Governing Body and other agencies as appropriate.
- Liaising with the local authority and other local and national bodies as appropriate.
- Reviewing and updating online safety policies, Acceptable Use Policies (AUPs) and other procedures on a regular basis (at least annually) with stakeholder input.
- Ensuring that online safety is integrated with other appropriate school policies and procedures.
- Meet regularly with the governor with a lead responsibility for online safety

1.3.3 Key responsibilities of staff are:

- Contributing to the development of online safety policies.
- Reading, understanding and signing the school Acceptable Use Policy, and adhering to it.
- Taking responsibility for the security of school systems and data.
- Having an awareness of online safety issues, and how they relate to the children in their care.
- Modelling good practice in using new and emerging technologies and demonstrating an emphasis on positive learning opportunities rather than focusing on negatives.
- Embedding online safety education in curriculum delivery wherever possible.
- Identifying individuals of concern, and taking appropriate action by working with the designated safeguarding lead.
- Knowing when and how to escalate online safety issues, internally and externally. (KCC Guidance, Kent Online Safety Blog)
- Being able to signpost appropriate support available for online safety issues, internally and externally.
- Maintaining a professional level of conduct in their personal use of technology, both on and off site.
- Taking personal responsibility for professional development in this area.

1.3.4 Additional responsibilities for staff managing the technical environment are:

- Providing a safe and secure technical infrastructure which support safe online practices while ensuring that learning opportunities are still maximised.
- Taking responsibility for the implementation of safe security of systems and data in partnership with the leadership and management team.
- To ensure that suitable access controls are implemented to protect personal and sensitive information held on school-owned devices.

- Ensuring that the schools filtering policy is applied and updated on a regular basis and that responsibility for its implementation is shared with the online safety lead and DSL.
- Ensuring that the use of the school's network is regularly monitored in order that any deliberate or accidental misuse can be reported to the online safety lead and DSL.
- Report any breaches or concerns to the DSL and leadership team and together ensure that they are recorded on the Online Safety Incident Log, and appropriate action is taken as advised.
- Developing an understanding of the relevant legislation as it relates to the security and safety of the technical infrastructure.
- Report any breaches and liaising with the local authority (or other local or national bodies) as appropriate on technical infrastructure issues.
- Providing technical support and perspective to the online safety lead and leadership team, especially in the development and implementation of appropriate online safety policies and procedures.
- Ensuring that the school's ICT infrastructure/system is secure and not open to misuse or malicious attack.
- Ensuring that appropriate anti-virus software and system updates are installed and maintained on all setting machines and portable devices.
- Ensure that appropriately strong passwords are applied and enforced for all but the youngest users.

1.3.5 Key responsibilities of children and young people are:

- Contributing to the development of online safety policies.
- Reading and understanding the school's Acceptable Use Policies and adhering to them.
- Respecting the feelings and rights of others both on and offline.
- Seeking help from a trusted adult if things go wrong, and supporting others that may be experiencing online safety issues.

At a level that is appropriate to their individual age, ability and vulnerabilities:

- Taking responsibility for keeping themselves and others safe online.
- Taking responsibility for their own awareness and learning in relation to the opportunities and risks posed by new and emerging technologies.
- Assessing the personal risks of using any particular technology, and behaving safely and responsibly to limit those risks.

1.3.6. Key responsibilities of parents and carers are:

- Reading and understanding the school's Acceptable Use Policies, encouraging their children to adhere to them, and adhering to them themselves where appropriate.
- Discussing online safety issues with their children, supporting the school in their online safety approaches, and reinforcing appropriate safe online behaviours at home.
- Role modelling safe and appropriate uses of new and emerging technology.
- Identifying changes in behaviour that could indicate that their child is at risk of harm online.
- Seeking help and support from the school, or other appropriate agencies, if they or their child encounters online problems or concerns.
- Contributing to the development of the school online safety policies.

- Taking responsibility for their own awareness and learning in relation to the opportunities and risks posed by new and emerging technologies.

2. Online Communication and Safer Use of Technology

2.1 Managing the school website

- The school will ensure that information posted on the school website meets the requirements as identified by the Department for Education.
- The contact details on the website will be the school address, email and telephone number. Staff or pupils' personal information will not be published.
- Pupils work will only be published with their permission or that of their parents/carers. Full names will not be used.
- The school will post information about safeguarding, including online safety on the school website.

2.2 Publishing images and videos online

- The school will ensure that all images are used in accordance with the school Image Use policy.
- In line with the Image Use policy, written permission from parents or carers will always be obtained before images/videos of pupils are electronically published. Full names will not be used.

2.3 Managing email

- All members of staff are provided with a specific school email address to use for all official school communications.
- The use of personal email addresses by staff for any official school/setting business is not permitted.
- The forwarding of any chain messages/emails etc. is not permitted. Spam or junk mail will be blocked and reported to the email provider.
- Any electronic communication which contains any content which could be subject to data protection legislation must only be sent using secure and encrypted methods.
- Members of the school community must immediately tell a designated member of staff if they receive offensive communication and this should be recorded in the school online safety incident log.
- Sensitive or personal information will only be shared via email in accordance with data protection legislation.
- School email addresses and other official contact details will not be used for setting up personal social media accounts.

2.4 Official videoconferencing and webcam use

Cage Green Primary School and The Phoenix Centre for Autism do not currently use videoconferencing or webcams; but should this form of learning come into practice then this section will be updated accordingly.

2.5 Appropriate and safe classroom use of the internet and associated devices

- The school's internet access will be designed to enhance and extend education.

- Access levels to the internet will be reviewed to reflect the curriculum requirements and the age and ability of pupils.
- Pupils will use age and ability appropriate tools to search the Internet for content. The School is filtered by KPSN, the search engines used are BBC- CBBC Search, Ask Jeeves, Ask Kids, New Image Gallery, Pics4 Learning Image Search and Safe Search. There is a blanket block on Google for children.
- Internet use is a key feature of educational access and all children will receive age and ability appropriate education to support and enable them to develop strategies to respond to concerns as part of an embedded whole school curriculum.
- The school will ensure that the use of Internet-derived materials by staff and pupils complies with copyright law and acknowledge the source of information.
- All members of staff are aware that they cannot rely on filtering alone to safeguard children and supervision, classroom management and education about safe and responsible use is essential.
- Supervision of pupils will be appropriate to their age and ability
 - At Early Years Foundation Stage and Key Stage 1 pupils' access to the Internet will be by adult demonstration with occasional directly supervised access to specific and approved online materials which supports the learning outcomes planned for the pupils' age and ability.
 - At Key Stage 2 pupils will be supervised. Pupils will use age-appropriate search engines and online tools and online activities will be teacher-directed where necessary. Children will be directed to online material and resources which support the learning outcomes planned for the pupils' age and ability.
 - A mobile Management System, MDM is in place to allow the setting of security levels for children on iPads or tablets. Pupils will be educated in the effective use of the Internet in research, including the skills of knowledge location, retrieval and evaluation.
 - The school will use age appropriate search tools The search engines used are BBC- CBBC Search, Ask Jeeves, Ask Kids, New Image Gallery, Pics4 Learning Image Search and Safe Search. There is a blanket block on Google for children.
- The school will use the internet to enable pupils and staff to communicate and collaborate in a safe and secure environment.
- Pupils will be taught to be critically aware of the materials they read and shown how to validate information before accepting its accuracy.
- The evaluation of online materials is a part of teaching and learning in every subject and will be viewed as a whole-school requirement across the curriculum.
- Members of staff will always evaluate websites, tools and apps fully before use in the classroom or recommending for use at home.

2.6 Management of school learning platforms

Cage Green Primary School and The Phoenix Centre for Autism do not currently use learning platforms; but should this form of learning come into practice then this section will be updated accordingly.

3. Social Media

3.1. General social media use

- Expectations regarding safe and responsible use of social media will apply to all members of Cage Green Primary School and The Phoenix Centre for Autism and exist in order to safeguard both the school and the wider community, on and offline. Examples of social media may include blogs, wikis, social networking, forums, bulletin boards, multiplayer online gaming, apps, video/photo sharing sites, chatrooms, instant messenger and many others.
- All members of Cage Green Primary School and The Phoenix Centre for Autism will be encouraged to engage in social media in a positive, safe and responsible manner at all times.
- Information about safe and responsible use of social media will be communicated clearly and regularly to all members of Cage Green Primary School and The Phoenix Centre for Autism.
- All members of Cage Green Primary School and The Phoenix Centre for Autism are advised not to publish specific and detailed private thoughts, concerns, pictures or messages on any social media services, especially content that may be considered threatening, hurtful or defamatory to others.
- Social networking sites are blocked for all staff and children through KPSN broadband filtering. The use of social networking applications during school hours for personal use is not permitted.
- Use of social media during school hours or whilst using school devices may result in disciplinary or legal action and/or removal of Internet facilities.
- Any concerns regarding the online conduct of any member of Cage Green Primary School and The Phoenix Centre for Autism on social media sites should be reported to the school leadership team and will be managed in accordance with existing school policies such as anti-bullying, allegations against staff, behaviour and safeguarding/child protection.
- Any breaches of school policy may result in criminal, disciplinary or civil action being taken and this will depend upon the age of those involved and the circumstances of the wrong committed. Action taken will be in accordance with the relevant school policies, such as anti-bullying, allegations against staff, behaviour and safeguarding/child protection.

3.2 Official use of social media

Cage Green Primary School and The Phoenix Centre for Autism do not currently use social media to communicate; but should this come into practice then this section will be updated accordingly.

3.3 Staff official use of social media

- If members of staff are participating in online activity as part of their capacity as an employee of the school, then they are requested to be professional at all times and that they are an ambassador for the school.
- Staff using social media officially will disclose their official role/position but always make it clear that they do not necessarily speak on behalf of the school.
- Staff using social media officially will be responsible, credible, fair and honest at all times and consider how the information being published could be perceived or shared.
- Staff using social media officially will always act within the legal frameworks they would adhere to within school, including libel, defamation, confidentiality, copyright, data protection as well as equalities laws.
- Staff using social media officially will be accountable and must not disclose information, make commitments or engage in activities on behalf of the school unless they are authorised to do so.

- Staff using social media officially will inform their line manager, the school online safety (e-Safety) lead and/or the head teacher of any concerns such as criticism or inappropriate content posted online.
- Staff will not engage with any direct or private messaging with pupils or parents/carers through social media and should communicate via school communication channels.
- Staff using social media will sign the school social media Acceptable Use Policy before social media use will take place.
- Personal use of social networking, social media and personal publishing sites will be discussed with all members of staff as part of staff induction and will be revisited and communicated via regular staff training opportunities.
- Safe and professional behaviour will be outlined for all members of staff, volunteers and governors as part of the school Acceptable Use Policy.
- All members of staff are advised not to communicate with or add as 'friends' any current or past pupils or current or past pupils' family members via any personal social media sites, applications or profiles. Any pre-existing relationships or exceptions that may compromise this will be discussed with the Head Teacher. For example if a member of staff communicates with a family member who is also a member of the school pupil roll then this must be disclosed.
- All communication between staff and members of the school community on school business will take place via official approved communication channel. Staff must not use personal accounts or information to make contact with pupils or parents, nor should any contact be accepted, except in circumstance whereby prior approval has been given by the Head Teacher.
- Any communication from pupils/parents received on personal social media accounts will be reported to the schools designated safeguarding lead.
- Information staff members have access to as part of their employment, including photos and personal information about pupils and their family members, colleagues etc. will not be shared or discussed on personal social media sites.
- All members of staff are strongly advised to safeguard themselves and their privacy when using social media sites. This will include being aware of location sharing services, setting the privacy levels of their personal sites as strictly as they can, opting out of public listings on social networking sites, logging out of accounts after use and keeping passwords safe and confidential.
- All members of staff are encouraged to carefully consider the information, including text and images, they share and post online and should ensure that their social media use is compatible with their professional role, in accordance with schools policies and the wider professional and legal framework.
- Members of staff will be encouraged to manage and control the content they share and post online. Advice will be provided to staff via staff training and by sharing appropriate guidance and resources.
- Members of staff will notify the Leadership Team immediately if they consider that any content shared or posted via any information and communications technology, including emails or social networking sites conflicts with their role in the school/setting.
- Members of staff are encouraged not to identify themselves as employees of Cage Green Primary School and The Phoenix Centre on their personal social networking accounts. This is to prevent information on these sites from being linked with the school and also to safeguard the privacy of staff members and the wider school community.
- Member of staff will ensure that they do not represent their personal views as that of the school on social media.
- School email addresses will not be used for setting up personal social media accounts.

- Members of staff who follow/like the schools social media channels will be advised to use dedicated professionals accounts where possible to avoid blurring professional boundaries.

Pupil's use of social media

- Safe and responsible use of social media sites will be outlined for pupils and their parents as part of the school Acceptable Use Policy.
- Personal publishing on social media sites will be taught to pupils as part of an embedded and progressive education approach via age appropriate sites which have been risk assessed and approved as suitable for educational purposes. Pupils will be advised to consider the risks of sharing personal details of any kind on social media sites which may identify them and / or their location. Examples would include real/full name, address, mobile or landline phone numbers, school attended, Instant messenger contact details, email addresses, full names of friends/family, specific interests and clubs etc.
- Pupils will be advised not to meet any online friends without a parent/carer or other responsible adult's permission and only when they can be present.
- Pupils will be advised on appropriate security on social media sites and will be encouraged to use safe and passwords, deny access to unknown individuals and be supported in learning how to block and report unwanted communications.
- Pupils will be encouraged to approve and invite known friends only on social networking sites and to deny access to others by making profiles private/protected.
The school is aware that many popular social media sites state that they are not for children under the age of 13, therefore the School will not create accounts within school specifically for children under this age.
- Any concerns regarding pupils' use of social networking, social media and personal publishing sites, both at home and at school, will be dealt with in accordance with existing school policies including anti-bullying and behaviour. Concerns will be raised with their parents/carers, particularly when concerning any underage use of social media sites.

4. Use of Personal Devices and Mobile Phones

4.1 Rationale regarding personal devices and mobile phones

- The widespread ownership of mobile phones and a range of other personal devices among children, young people and adults will require all members Cage Green Primary School and The Phoenix Centre for Autism to take steps to ensure that mobile phones and personal devices are used responsibly.
- The use of mobile phones and other personal devices by children is not allowed. Children's mobile phones are collected by staff at the beginning of the day and handed back at the end of the day.
- Cage Green Primary School and The Phoenix Centre for Autism recognise that personal communication through mobile technologies is an accepted part of everyday life for pupils, staff, parents/carers and governors but requires that such technologies need to be used safely and appropriately within school.

4.2 Expectations for safe use of personal devices and mobile phones

- Electronic devices of all kinds that are brought in to school are the responsibility of the user at all times. The school accepts no responsibility for the loss, theft or damage of such items. Nor will the school accept responsibility for any adverse health effects caused by any such devices either potential or actual.

- Mobile phones and personal devices are not permitted to be used by staff, volunteers and governors in certain areas within the school site such as classrooms, corridors and toilets.
- The sending of abusive or inappropriate messages or content via mobile phones or personal devices is forbidden by any member of the school community and any breaches will be dealt with as part of the school discipline/behaviour policy.
- Members of staff will be issued with a school phone number and email address where contact with pupils or parents/carers is required.
- All members of Cage Green Primary School and The Phoenix Centre for Autism will be advised to take steps to protect their mobile phones or devices from loss, theft or damage.
- All members of Cage Green Primary School and The Phoenix Centre for Autism will be advised to use passwords/pin numbers to ensure that unauthorised calls or actions cannot be made on their phones or devices if they are lost or stolen. Passwords and pin numbers should be kept confidential. Mobile phones and personal devices should not be shared.
- All members of Cage Green Primary School and The Phoenix Centre for Autism will be advised to ensure that their mobile phones and personal devices do not contain any content which may be considered to be offensive, derogatory or would otherwise contravene the school policies.
- School mobile phones and devices must always be used in accordance with the Acceptable Use Policy
- School mobile phones and devices used for communication with parents and pupils must be suitably protected via a passcode/password/pin and must only be accessed and used by members of staff.

4.3 Pupils use of personal devices and mobile phones

- Pupils will be educated regarding the safe and appropriate use of personal devices and mobile phones.
- Mobile phones and personal devices must be handed into the office at the beginning of the school day.
- Pupils should protect their phone numbers by only giving them to trusted friends and family members. Pupils will be instructed in safe and appropriate use of mobile phones and personal devices and will be made aware of boundaries and consequences.
- If a pupil breaches the school policy then the phone or device will be confiscated and will be held in a secure place in the school office. Mobile phones and devices will be released to parents/carers in accordance with the school policy.
- School staff may confiscate a pupil's mobile phone or device if they believe it is being used to contravene the schools behaviour or bullying policy. The phone or device may be searched by a member of the Leadership team with the consent of the pupil or parent/carer. If photos are found on the device they will never be printed off. If there is suspicion that material on a pupil's personal device or mobile phone may be illegal or may provide evidence relating to a criminal offence then the device will be handed over to the police for further investigation.

4.4 Staff use of personal devices and mobile phones

- Members of staff are not permitted to use their own personal phones or devices for contacting children, young people and their families within or outside of the setting in a professional capacity. Any pre-existing relationships which could compromise this must be discussed with the Head Teacher.
- Staff will not use personal devices such as mobile phones, tablets or cameras to take photos or videos of children and will only use work-provided equipment for this purpose.
- Staff will not use any personal devices directly with children and will only use work-provided equipment during lessons/educational activities.

- Staff personal mobile phones and devices will be switched off/switched to 'silent' mode during lesson times.
- Bluetooth or other forms of communication should be "hidden" or switched off during lesson times.
- Personal mobile phones or devices will not be used during teaching periods unless permission has been given by a member of the Leadership Team in emergency circumstances.
- Staff will ensure that any content bought on site via mobile phones and personal devices are compatible with their professional role and expectations.
- If a member of staff breaches the school policy then disciplinary action will be taken.
- If a member of staff is thought to have illegal content saved or stored on a mobile phone or personal device or have committed a criminal offence then the police will be contacted and allegations will be responding to following the allegations management policy.

4.5 Visitors use of personal devices and mobile phones

- Parents/carers, volunteers, governors and visitors must use mobile phones and personal devices in accordance with the schools policy.
- Use of mobile phones or personal devices by parents/carers, volunteers, governors and visitors to take photos or videos is not allowed.
- Staff will be expected to challenge concerns when safe and appropriate to do so, and will always inform the DSL of any breaches of use by visitors.

5. Policy Decisions

5.1. Reducing online risks

- Cage Green Primary School and The Phoenix Centre for Autism is aware that the Internet is a constantly changing environment with new apps, tools, devices, sites and material emerging at a rapid pace.
- Emerging technologies will be examined for educational benefit and the school leadership team will ensure that appropriate risk assessments are carried out before use in school is allowed.
- The school will ensure that appropriate filtering systems are in place to prevent staff and pupils from accessing unsuitable or illegal content. Schools should include appropriate details about the systems in place.
- The school will take all reasonable precautions to ensure that users access only appropriate material. However, due to the global and connected nature of Internet content, it is not possible to guarantee that access to unsuitable material will never occur via a school computer or device.
- The school will audit technology use to establish if the online safety policy is adequate and that the implementation of the policy is appropriate.
- Methods to identify, assess and minimise online risks will be reviewed regularly by the schools leadership team.
- Filtering decisions, internet access and device use by pupils and staff will be reviewed regularly by the schools leadership team.

5.2. Internet use throughout the wider school/setting community

- The school will liaise with local organisations to establish a common approach to online safety

- Guests are requested not to use their own mobile devices as access to the internet cannot be regulated. Any guest access agreed is covered by the same level of filtering as staff.

5.3 Authorising internet access

- All staff, pupils and visitors are required to read and sign the school [ICT](#) Acceptable Use Policy before using any school ICT resources as part of the logging on process.
- Parents will be informed that pupils will be provided with supervised Internet access which is appropriate to their age and ability. This information is provided through this policy being accessed on the school website.
- When considering access for vulnerable members of the school community (such as with children with special education needs) the school will make decisions based on the specific needs and understanding of the pupil(s).

6. Engagement Approaches

6.1 Engagement and education of children and young people

- An online safety curriculum will be established and embedded throughout the whole school, to raise awareness regarding the importance of safe and responsible internet use amongst pupils.
- Education about safe and responsible use will precede internet access.
- Pupils input will be sought when writing and developing school online safety policies and practices.
- Pupils will be supported in reading and understanding the [school](#) Acceptable Use Policy in a way which suits their age and ability.
- All users will be informed that network and Internet use will be monitored.
- Pupil instruction regarding responsible and safe use will precede Internet access.
- Online safety will be included in the PSHCE, SRE, Citizenship and Computing programmes of study covering both safe school and home use.
- Online safety education and training will be included as part of the transition programme across the Key Stages and when moving between establishments.
- The pupil Acceptable Use expectations and Posters will be posted in all rooms with Internet access.
- Safe and responsible use of the Internet and technology will be reinforced across the curriculum and within all subject areas.
- External support will be used to complement and support the schools internal online safety education approaches.
- The school will implement peer education to develop online safety as appropriate to the needs of the pupils.

6.2 Engagement and education of children and young people who are considered to be vulnerable

- Cage Green Primary School and The Phoenix Centre for Autism is aware that some children may be considered to be more vulnerable online due to a range of factors and will ensure that differentiated and ability appropriate online safety education is given, with input from specialist staff as appropriate (e.g. SENCO).

6.3 Engagement and education of staff

- The online safety policy will be formally provided to and discussed with all members of staff as part of induction and will be reinforced and highlighted as part of school safeguarding practice.
- To protect all staff and pupils, the school will implement Acceptable Use Policies which highlights appropriate online conduct and communication.
- Staff will be made aware that Internet traffic can be monitored and traced to the individual user. Discretion and professional conduct is essential.
- The school will highlight useful online tools which staff should use with children in the classroom. These tools will vary according to the age and ability of the pupils.
- All members of staff will be made aware that their online conduct out of school could have an impact on their role and reputation within school. Civil, legal or disciplinary action could be taken if they are found to bring the profession or institution into disrepute, or if something is felt to have undermined confidence in their professional abilities.

6.4 Engagement and education of parents and carers

- Cage Green Primary School and The Phoenix Centre for Autism recognise that parents/carers have an essential role to play in enabling children to become safe and responsible users of the internet and digital technology.
- A partnership approach to online safety at home and at school with parents will be encouraged. This may include offering parent evenings with demonstrations and suggestions for safe home Internet use or highlighting online safety at other well attended events e.g. parent evenings, transition events, fetes and sports days.
- Parents will be requested to read online safety information as part of the Home School Agreement.
