

Cage Green School have recently appointed two new members of staff to be help continue the sports involvement at the school. Since September we have continued our involvement in a range of different Inter-School competitions covering a range of sports across Key Stage 1 and 2. Our achievements from these events have been reported in our school newsletter and termly sports newsletter. We currently offer a good range of sports clubs after school four times a week, as well as various lunchtime and before school sport clubs.

Summary Information				
School: Cage Green Primary School				
Year: 2017/18		Total Budget: 20,230		
Planned expenditure for 2017/18				Review Date
Project	Responsibility and Cost	What is the evidence for this choice	Monitoring	Review Date
Individualised CPD for all class teachers	S Scott/W Levett 18,000	Since the Sports premium has been introduced, we have been providing teachers with CPD training in sports to increase the confidence in teaching and learning from Partnership from the previous year. We had comments from teachers who began to feel more confident in teaching PE. We plan to repeat this process to ensure all teachers are provided with individualised training to continue to improve the teaching and learning in PE using a specialist teacher who is based at Cage Green.	SS/WL to observe teachers to identify strengths and areas of developments. Questionnaire given at beginning of year – SS to provide another at end of the year to see teachers views on teaching PE.	July 2018
Competitions	W Levett/ S Scott	Over the last few years, Cage Green has entered competitions which have provided more opportunities for children across the school (both ks1 and ks2). Competitions evidence from the children that they build on teamwork leadership,	Record of competitions entered	July 2018

		<p>perseverance and challenge for all.</p> <p>Continue to Develop & implement training for pupils to become sports and playground leaders to provide more opportunities for children at playtimes.</p> <p>Within school, we will have an increase on intra-house competitions to enable an increase in participation in a competitive setting.</p>		
<p>Premier Sports and Skills Academy (Extra Curricular Clubs)</p>	<p>S Scott £2,200</p>	<p>Cage Green have many children who do not participate in typical sports clubs. Premier sports provide a range of different extra-curricular clubs including Archery and Multi-skills.</p> <p>As research shows that physical activity improves school attainment, we are promoting greater participation and by providing a range of sports, will enable more children to engage.</p> <p>All children to have access to Sports clubs (both before, lunch and after school clubs)</p>	<p>SS to analyse participation in sport including the number of pupil premium.</p> <p>SS to analyse data and correlations between children who attend sports clubs and academic attainment.</p>	<p>July 2018</p>
<p>Bikeability</p>	<p>W Levett/ S Scott</p>	<p>Having a qualified team deliver this training to our Year 6 children to ensure that they are confident and skilled in using bikes on the local roads</p>	<p>W Levett and Year 6 team to monitor sessions.</p>	<p>July 2018</p>

Our funding outcomes

We will continue to evaluate the impact of the Sports Premium funding throughout the year. Our outcomes that we would hope to achieve using the Sports Premium Funding are:

1. Increase staff confidence and enthusiasm in PE delivery, measured by an improvement in the quality of teaching and learning.
2. Participation and enjoyment at inter-school competition level.
3. A clear progression across the school and therefore improvements in achievement and progress within physical education.
4. Increase participation in sport, measured by the attendance of school clubs.

Ultimately, at Cage Green, our aim is to develop a positive attitude and a lifelong love of physical activity. We hope that there will be an increase in participation and engagement in sport, in particular competitive sports.

Impact

In 2015 - 2016 the impact of the spending was as follows:

- Increased staff confidence in PE delivery through the use of Tonbridge Partnership
- Increased participation in different sports
- Inter and intra sports competitions
