

CAGE GREEN PRIMARY SCHOOL

SPORTS NEWSLETTER: ISSUE 2 2017 – JANUARY 2018

Well done to all the pupils who took part in the TWKSSP Primary Cross Country event at Dunorlan Park on the 10th November 2017. Cage Green had some fantastic results on a testing course. The weather was mixed with rain and sun which provided perfect conditions for Cross Country running.

In the Year 3/4 race Beau finished 20th to lead the boys home whilst in the girls Emily finished just one place behind in 21st with a fantastic sprint finish. In the Year 5/6 boys/girls groups, Rylee came through the field on the second lap to finish in an impressive 17th place whilst Nathan (year 4) stepped up into the Year 5-6 race and finished an incredible 26th against the older year groups!

In the girls race Hannah moved through from 6th on the first lap to finish 3rd to pick up the bronze medal, timing her run to perfection. Full results are listed below but it was a fantastic team effort in challenging conditions from all the pupils that took part.

Year 3/4 Girls

Emily - 21st
Amelia - 42nd
Rosie - 40th

Year 3/4 Boys

Beau - 20th
Hayden - 36th
Hugo - 37th
Alfie - 45th
Zac - 58th

Year 5/6 Girls

Hannah - 3rd
Anna - 34th
Bella - 46th

Year 5/6 Boys

Rylee - 17th
Nathan (Year 4)- 26th
Charlie - 42nd

School Sports Organising Crew training:

During December 2017 Cage Green School took 8 pupils to the Tonbridge Angels Centre to participate in the School Sports Organising Crew (SSOC) Leadership training run by the Tonbridge and West Kent School Sports Partnership. It was a great opportunity for the pupils to develop a range of skills around organising a variety of sports activities and developing different leadership skills including refereeing, coaching, reporting and being a statistician. The aim over the next few months is to develop these skills back at Cage Green through the organisation of playground and lunchtime activities for Key Stage 1 and 2. There will also be a display on an SSCO board in the hall celebrating sports success and achievement within the school.

The following pupils were involved in the training:

Olivia 5E
Nicholas 5E
Archie 5E
Safwa 5E
Virag 5E
Lily 5F
Freddy 5F
Phoebe 5E

Maths of the Day- Active Numeracy Festival

On Monday, a group of Year 3 and 4 pupils attended a taster afternoon of Maths through PE. The afternoon was designed around 'Maths of the Day' which uses physical activity as a vehicle to raise attitudes and attainment in maths throughout the UK and beyond. The programme contributes to children becoming more physically active and undertaking a healthy lifestyle. The pupils really enjoyed the afternoon of activities and liked the idea of working as a team because they could discuss ideas.

They really enjoyed the fact that if another pupil had an idea, they could discuss it and work out which answers were right, but more importantly, why it was right.

Our team finished 3rd in the competition from a total of 12 schools which was a great achievement.

Thank you for all your support, we look forward to another fun and active term where we will be competing in more competitions and continuing to develop the sport at Cage Green Primary School.
