Cross Country results!

On Friday 13th October, Cage Green competed in a Kent school's Cross Country event. As the notice of this competition was so last minute, we only managed to take 5 pupils from Cage Green. 4 Year 6 pupils (Rylie H, Bella W, Hannah M and Anna T) and 1 pupil in Year 3 (Hayden W). The races were separated into year groups and there were approximately 80 pupils in each race. Our Cage Green pupils showed great enthusiasm despite having very little notice and practise.

Hayden was first to compete in the Year 3 boys race, he showed great determination and came an amazing 7th overall. He was extremely pleased with his result and it spurred the other pupils on for their race later on in the afternoon! Next, was the Year 6 girls race. Their course was slightly longer and more up-hill! It proved to be a very difficult course, however our pupils

showed true resilience and perseverance! Hannah M was the first of our pupils to come over the finish line in 7th place, closely followed by Bella (34th) and Anna (39th). They were very pleased with their result and even happier when they achieved their donut at the end of the race! Finally, Rylie competed in the Year 6 boy's race. He had waited until the last race but this did not affect his enthusiasm to run! He ran extremely well and achieved an incredible 17th place.

Miss Scott and Mr Levett are extremely proud of the pupils who competed. Not only did they show real talent but they also set a great example of team work and supporting one another. We hope to compete in more Cross Country competitions throughout the year and look forward to inviting more pupils to these events.

Clubs

As the new school year started, new exciting sports clubs began. We are so fortunate to have a range of clubs available at Cage Green, especially sports clubs. It has been great to see so many of our pupils engaging in these clubs. Here are some of the clubs that are available at our school:

- Football club
- Badminton club
- Dance club
- KS1 netball club
- KS2 netball club
- Ultimate Frisbee
- Archery

We would love to see more of you participating in sports clubs as we think we have a lot of talent at this school. It's great to hear so many of you participating in clubs out of school too. We love to hear your achievements from those clubs too!
