2L Class Assembly
"This morning we shared all of our learning about Space with the whole school and our parents. We really enjoyed saying our lines and were excited about doing it. Favourite parts were when the planets were put in order and a super fact was shared. Another was when we made three digit numbers and held up our 'Starry Night' paintings in the style of Van Gogh. Everybody worked hard on our class assembly and we were all very proud of each other." Report by John and Isobel.
