Years 3 & 4 Apprentice Day

'Before half term, Years 3 and 4 held a Viking themed Apprentice/Dragon's Den Day. We had to persuade the four dragons (our class teachers) to invest in our long ship designs. We worked together in small groups with children from both years and prepared presentations to share in front of everyone. Even Mr Garthwaite came to watch a couple of our pitches. The Dragons asked us questions about features of our ships and what made them better than the rest. The winners received the investment they requested and were awarded prizes and certificates. It was a very fun day and it was a really good experience to be working with other people.' Report by Amy and Lily, 4B

Volunteering

Over the last few terms Mr Stares and Mr Garthwaite have been approached on many occasions in the playground from parents/carers offering help with decorating, gardening, carpentry and general repairs.

With this in mind if anyone is able offer help at any time (it doesn't have to be regular, just as and when you have time), Mr Stares is holding an open morning this Saturday, 25th February. Please pop along at 10.00 a.m. for a chat to see how we can plan a programme of work for the coming year. Bacon sandwiches and tea/coffee will be provided. Please let Mr Stares know if you are able to join him on 07425134745

Parents Evenings

Parents Evenings will take place on Tuesday 14th and Thursday 16th March. The appointment booking system will be up and running on Monday 27th February. Please visit
