**Best Class Attendance**

This week's Best Class Attendance is 3W with 100% attendance. Very well done 3W!

**British Science Week**

This week the whole school has celebrated British Science Week 2017. We have been very lucky to have so many people come into school and involve the children in a range of activities. Special mention should be given to Anne and Carol from Nottcutts Garden Centre, Tunbridge Wells, who have worked with every year

group this week. They have kindly donated seeds, plant pots, compost and their time, in order to come into school to plant and set-up vegetable and fruit seeds that we will be able to watch grow and harvest as the year goes on. All children have had visits from 'Sublime Science', 'Kitchen Club' and 'Junk Percussions' and took part in workshops, as well as swapping classes for a science lesson and a lesson on the week's theme, 'Changes'.

**Year 1 Library Visit**

Year 1 will be visiting Tonbridge North library on Thursday 23<sup>rd</sup> March. If your child has a library card, please ensure it is in their book bag that day. Thank you.

**Comic Relief Day**

Next Friday 24<sup>th</sup> March is Comic Relief when everyone can come to school in their pyjamas! Please ensure your child is wearing proper shoes or trainers – NO slippers please - and that if they are coming along in a dressing gown, they also have a coat suitable for the weather that day. Onesies are great too. Don't forget your donation! (Suggested £1). Thank you.

**3W Class Assembly**

3W's Viking themed class assembly will take place on Friday 24<sup>th</sup> March at 2.30 p.m. Parents, carers, grandparents and family friends are all welcome to join us. We look forward to seeing you all.

**Residential Visit Payments**

Please note the following due dates for payments:

Year 6 Visit to Osmington Bay  
£407.00 to be paid in total by Friday 31<sup>st</sup> March

Year 4 Visit to Margaret McMillan House  
£135 to be paid by 21<sup>st</sup> April. Thank you.

**Food Allergies & Religious Restrictions**

We endeavour to keep our records as accurate and detailed as possible. If your child has a food allergy or any food they cannot eat due to religious observance (e.g. no pork, Halal, Kosher, vegetarian) please ensure you tell the School Office. As well as for school lunches, we need this information for any food tasting or food preparation lessons in which the children take part. Thank you.

**Responsible Use of Social Media**

Please can we ask that you do not post details of suspected infectious diseases (e.g. measles, mumps, chicken pox, scarlet fever) on social media, until you have a confirmed diagnosis from your GP. We have a number of children in school with reduced immunity and seeing unconfirmed information on social media can

cause unnecessary worry for parents. When you have a confirmed diagnosis from your GP, you should, in the first instance, notify the School. Thank you for your kind co-operation.
