### Primary Maths Team Challenge

Last Friday, Christian B and Elliott H (Yr 6) and Phoebe M and Isla W (Yr 5) went to the Primary Maths Team Challenge at Tonbridge Grammar School.

"The outing was fun but challenging at the same time. There were four rounds, the first was an arithmetic round, the second was tricky puzzles, the third included three mini-rounds and the fourth was a relay (we were split into two teams per school; one was Team A and one was Team B. Team A answered the first question and gave it to our teacher and if it was correct we gave the second question to Team B and vice versa)." Christian B and Elliott H

They came a rather impressive 11<sup>th</sup> (out of 20 schools), so well done to those of you who took part.

### Junior Maths Team Challenge

19 children in Yr 5 and Yr 6 entered the Junior Maths Team Challenge on Thursday. Results will come through in a few weeks so let's all wish them luck!

### Cage Green shine at Sackville School Annual Cross Country

Cage Green school shone at the annual Sackville Cross Country races and produced some fantastic results against a number of private schools. Over a traditional cross country course which included a wooded section, a stream and a fallen log, it certainly made for some challenging running! The races were run over 1500 metres with a field of between 40-50 runners in each race. All the pupils ran superbly with Jacob in Yr 5 and Hannah in Yr 6 producing outstanding runs both with 4th place finishes to take top honours.

The Year 5 boys team was represented by Jacob (4th), Freddie (30th), and Mitchell (39th). The Girls Yr 5 team was represented by Elizabeth (11th), Lille (15th) and Sara (21st). In the Yr 6 race, the girls team was represented by Hannah (4th) and Bella (16th). Well done to everyone that took part.

### Going for Gold in the Key Steps Gymnastics at Kent College Pembury

Cage Green attended the ever popular Key Steps Gymnastics at Kent College on Thursday. The event required focus and discipline as the pupils competed in floor, body management and vaulting routines. All the pupils that took part produced excellent routines showing brilliant strength and control throughout their performances. Well done to Robert (2S), Scarlett (1P), Ffion (1W) and Imogen (2A) for working so hard in practice and on the day.

### Cage Green's musical moment!

"On Friday 27<sup>th</sup> April 2018, some of the children at Cage Green Primary School were very lucky as they were able to go to the Kidenza Concert hosted at Tunbridge Wells Grammar School for Boys. We all enjoyed it and had a blast. As the performance went on, 3 volunteers were able to join in with the orchestra. Many schools came to the concert including Kent College Primary and Tonbridge School for Boys. We also learnt a song called 'O 'for' Tuna'. We also had a great laugh when the conductor showed off his funny dance moves."

Hirva (Class 6R)

### Class 2A Assembly

"2A have worked so hard over recent weeks to learn their words for their class assembly all about our wonderful world. They did so well explaining what they have learned over the last two terms, and even taught their audience a song and dance. They had such amazing energy and did themselves proud." Miss Aldred

### Fire Talks

Kent Fire & Rescue Service came along this week to give informative presentations to the children in Yrs 1 to 6.
