Windmill Hill

"Year 6 had a wonderful visit to Windmill Hill last week. We started our adventure by going to Hertsmonceux Science Centre and had lots of fun exploring the interactive science displays, having a telescope tour and working as a team to build a bridge. We journeyed on to Windmill Hill later that Monday, were shown our cabins and settled in by playing some games and having an evening activity.

During the week we took part in many activities, including raft building, rifle shooting, archery, tunnel trail, abseiling, zip wire, trapeze and much more. We all loved joining in, cheering each other on and learning how to tie knots and belay. The food was amazing and we all ate heartily throughout the week!

We've all agreed that the time went far too quickly but we all enjoyed going home, seeing our family and telling them all about our adventures!" Report by 6E and 6R

Maths Curriculum Evening

Thank you to all parents and pupils who attended our Maths Curriculum Event. It was a fantastic evening which everyone enjoyed. There were workshops from the Magical Maths Club Company and Explore Learning and many challenges for parents and children to tackle together, including the orienteering event. Many of you were able to correctly find all 15 control points and the corresponding coloured letters and maths clues. Here are the three words: **Blue Route** – Cooperativeness, **Red Route** – Orientationally, **Green Route** – Kindheartedness

The maths clues were, in order:

1. (3x4)
2. (7x8)
3. +125
4. -93
5. Halve it then -5
6. ÷4
7. +9 squared
8. X1000
9. +17000
10. ÷2
11. X1000

This all works out to 93,000,000

12. The planet that is this distance from the sun in miles is EARTH

13. The scale of 1:750=1 cm on the map represents 7.5m on the ground
14. The perimeter of the school field is 312 metres, approximately

Well done to many of you who were able to work all this out on the night!

Year 6 Leavers' Photograph

The Courier photographer will be in school on Monday 6th June to take class photos for their Leavers' edition which will be published towards the end of the school year. Please bring your biggest, brightest smiles.

Amended Diary Dates

Please note that the Chimpanzee class assembly will now take place on Friday 1st July at 9.30 a.m., instead of 17th June.

The Year 6 'Wizard of Oz' performances are now Tuesday 12th July at 9.30 a.m. and Thursday 14th July at 7.00 p.m.

Classical Concerts for Children

Wheels on Debussy are holding a concert for children at St Peter and St Paul's Parish Church on Friday 3rd June. The concert starts at 10.30 a.m. but you can arrive at 10.00 a.m. for coffee, pastries and craft activities. Visit www.thewheelsondebussy.com for further information.

Summer Fair Donation Days

This year's Summer Fair Donation Days are:

Friday 17th June

Wear uniform and crazy/odd socks and donate sweets in a jar and/or bottles (preferably alcohol)

Friday 24th June

Wear uniform and a crazy hat/hair and donate children's tombola prizes and/or bottles (preferably alcohol)

Friday 1st July

Non-uniform day. Please donate children's tombola prizes and/or cakes.
