Bike Week

Bike Week Extravaganza!

"This week we were treated to an amazing time where we could have fun on our bikes. I walked out of the building and saw about 40 children all lined up with their bikes by their side; there were mountain bikes, BMX's and many more. We had slow races where we had to be the last to the finish, there was the normal speed races and there was also a long distance ride where we had to ride around both the school playgrounds 3 times. It was a good week all round." Report by Ted, 5G

"I liked doing the races, especially the relay." Jack, 3W

"I really enjoyed practising my skills doing the slalom." Wania, 3W

Able Writers Day, Years 1 & 2

"On Wednesday four Year 2 and two Year 1 children went to Stocks Green School for an Able Writers Day. First we learnt how titles tell you about a story and Ciaran Murtagh was teaching us. We would give the day a five star rating. The best bit was when we wrote our own story. Our main characters were called Maurice and Lilly. We learnt how to be an author." Report by Eve and Eli, 2A

Year 3 Powell-Cotton Museum Workshops

"Well, what a busy day we had yesterday! We had lots of different activities and workshops to explore different aspects of Africa. We really enjoyed being able to touch the different animal skins and explore whether the animals were mammals or reptiles as we went on an African Safari; and being able to explore why African masks were made and worn for festivals (they were thought to represent the spirit of ancestors). The trickiest part of the day was walking 100m with a bucket of water on our heads and no shoes or socks. We did this to gain an idea of how far some people have to walk to collect water. We only walked 100m - some people have to walk a mile, four laps of the field, or more! Manny from the museum taught us about African textiles and what they were used for and how they were made. We then had a go at printing our own examples of being creative with different symbols. Other parts of the day included; African dancing, African

mask making, object handling and watching a clip of Manny take on an elephant from a trip to Africa he went on. We had a fantastic day and learnt a lot about Africa." Tegan, Macey and James, 3W

Photography Club Visit to Hugh Christie School

On Wednesday, members of Mrs Broad's Photography Club went over to Hugh Christie to meet Mr McPherson and look at coursework pieces created by his GCSE and A-Level students. We were joined by Hannah (Mrs Barone's daughter) and she showed us the photography suite which included a studio and even a dark room! We all got to go into the dark room and have a go at exposing a 'photogram' using photography film and everyday objects. We are looking forward to seeing the results when Hannah delivers them to us next week. We got lots of good ideas from what we saw! Thank you Mrs Broad and Miss Barone for arranging the visit and thank you Mr McPherson for letting us visit your amazing suite.

2L Class Assembly

Thank you to all who joined us for 2L's class assembly this afternoon. Everyone had a lovely time listening to all that the children shared about Victorians, India, art and their writing about 'Sir Scatterbrain, the Hopeless Knight'. Well done everyone!
