**Year R Class Assemblies**  
Today and last Friday, Penguin and Chimpanzee Classes performed their Class Assemblies. Both classes shared some of the things they had learnt during the year. The children used stories, songs and poems to show their learning and the fun they had in the process. Chimpanzee Class looked back at how much they had grown and changed this year and Penguin Class talked about what they wanted to be when they grew up. Parents and teachers alike were very proud of all the children.

Chimpanzee and Penguin Classes shared about their visit to the farm.

### **Tonbridge School Community Day**

On a rather wet Wednesday, Year 5 and Dragon Class were lucky enough to go to Tonbridge School to take part in their annual Community Day. Cage Green was one of over twenty local primary schools invited to participate in the 'fun-packed' day. The children had been looking forward to it for a long time as there was a long list of activities to choose from. Our Year 5 children took part in drama, football, golf, conservation, maths, art and crafts as well as a range of other exciting activities. Dragon Class went swimming and did photography. They toured the grounds with some of the Tonbridge School boys and took photographs. Then they made them into academic calendars to take home.

At 9.15 a.m. the children travelled by coach to Tonbridge School where we were met by the older boys who were to look after them for the day. They really enjoyed taking part in all of the activities and they learnt a great deal. The other good thing about the day was that the children were able to meet people from other schools; this really helped to develop team building skills.

In all, the children did three different things during the day and they were extremely tired by the time the coach arrived to pick them up!

The day finished on a rather sombre note as we all remembered those who lost their lives in the Battle of the Somme, exactly one hundred years ago. Some of the children read poetry and sang in memory of those, from the local community, who lost their lives in 1916.
