### First Aid Club

The last two terms have seen a group of Year 6 children undertake a course in St John's Ambulance Student First Aid. They have learned a huge amount: the recovery position, how to communicate with a casualty and cope with emergency situations, CPR and bleeds, breaks and sprains to name just a few. The group have done remarkably well, and those who have completed the course (Lily B, Hirva D, Bella W and Archie R) will take a recognised First Aid qualification to Secondary school with them. They should be very proud of what they have achieved.

### Year 6 Production to Parents

"Year 6 have worked incredibly hard to polish their production; the Rocky Monster show. On Friday 13<sup>th</sup> and Monday 16<sup>th</sup> July, year 6 did their dress rehearsal to the pupils at Cage Green primary school. On Tuesday 17<sup>th</sup> and Thursday 19<sup>th</sup> July they performed the production to parents, carers and relatives. We all danced, partied and had a great time. I hope Anna (Igor) isn't a limping beast anymore! Never let Mr Gurr do your make-up, he turned people into oompa-loopas; you have been warned!"

By Bella and Hirva

### Photography Club

"You might see my poster around school and you might think why? I am doing a project on healthy snacks and I have seen sweet in children's lunch boxes and I thought that it would be a good idea to tell people off! If you see anyone even if it is your best friend please make them aware of healthy eating!!" Please see picture below.

"At photography club we have been doing a topic of our choice. I have been taking photos of litter, there is more litter than you would think and has made me realise that you should ALWAYS put your litter in the bin. We want to keep our great school free of litter and it is our responsibility to put the litter in the bin. We have bins for reasons: to put litter in them". Please see picture below.

"For a massive three weeks, photography club did a marvellous job on creating their projects. They made a few similar and some unique pictures, mostly about litter and nature. The club includes a picture named The Purple Death of Doom. Wilderness has been a big thing in Term 6 as Julian, Ellie, Christian, Chloe, Leah and Ola produced these photographs. Well done Photography." Please see picture below.
