Rainbow Out of School Clubs

Rainbow Out of School Club is looking to open on a Friday afternoon in the near future. Some parents/carers may remember that due to lack of take up the after school club closed over a year ago. Recently there has been interest from new parents/carers who would like to use the club on a Friday and we know that some current users are also interested. If you would like to use the after school club on a Friday afternoon and feel that you could commit to every Friday then please email Denise or Sarah at contact@rainbowschoolclubs.com

Stone/Bronze/Iron Age Day

“Last Friday, everyone in Year 5 had unique outfits. We wore clothes that ranged from Stone to Iron Age. Some of us back combed our hair or wore wigs. We also wore a range of jewellery. After assembly we planned and designed our own Stone Age themed board games like dominos or monopoly. Some people changed the name of the game, for example Stoneopoly and Stominos. After lunch a man named Steve told us about the three stages of the Stone Age. We re-enacted a deer hunt which was very exciting and realistic. He told us about the ice ages and how England used to be connected to France. We learnt about the water gods and how they gave their best

weapons to the water. We also learned about the death tradition. Finally we listened to a story and finished it with a song and dance. We all enjoyed this amazing day!” Report by Sophie and Jessica, 5H

Cross Country

“On Tuesday Cage Green entered a cross country event at the Schools at Somerhill. It was muddy, cold and wet! Everyone ran very competitively and we are very proud of our scores. Those who made the top 50 in their event are: Amy, Aimee, Bo, Charlie, Alex, Morgan and Tom. Well done everyone who took part.” Report by Aimee and Shania, 6R

Football
'A' Team

“On Wednesday the ‘A’ team played a tense football match against Woodlands Primary School. Both teams played extremely well and it was very even. The score was 5-1 to Woodlands, with Cage Green pulling off lots of shots at goal. If it wasn’t for their Norwich Academy goalkeeper we could have scored a lot more goals. Our one goal was a long range effort smashed in the top corner by James. We could have let in a lot more goals if Reece hadn’t made so many great saves!

Three of Woodlands' goals were scored by their Crystal Palace winger, all in the roof of the net. Our 'B' team played another exciting and close game afterwards and lost 3-1." Report by Tom and James, 6E
