Food Allergies

If your child brings a packed lunch or snack in to school, please ensure it does not contain food that may trigger an allergic reaction in others, e.g. nuts, peanut butter/Nutella. If your child has a nut based product with them it may be removed in the interest of pupils' safety. Thank you.

Flu Vaccinations

Flu Vaccinations were given to children in Years R to 4 yesterday. If your child was due to have the vaccination but was absent from school, or if your child refused the vaccination on the day, you will receive a call from the NHS nurse inviting you to attend a clinic for your child to receive their vaccination.

PACT Cake Sale

PACT would like to say a huge thank you to everybody who provided and bought cakes at the cake sales this week. We raised a fantastic £229.07! This will go towards the new interactive sensory floor in the Phoenix Centre.

5E Class Assembly

The parents, family and friends of the class 5E children were delighted with this afternoon's assembly. 5E shared their science learning on forces and their mathematical talents of rounding numbers and checking their accuracy. Their topic this term is The Stone Age and they demonstrated their Stone Age art and produced a Stone Age information leaflet for English. Well done everyone!
