Anti-Bullying Week

This year's Anti-Bullying week will take place next week from 16th to 20th November 2015. It is a national event that all schools are asked to take part in. Our theme for this year is 'Make a noise about bullying.' During the week the children will be discussing in assemblies how everyone can be involved in maintaining Cage Green as a happy and safe place by thinking about the things that we say and do. We will also be holding a Friendship Week later this year. There will be more details about this in Term Three.

Cosmic Classroom

"Yesterday the cosmic classroom came to visit, which is a giant inflatable planetarium. It took us on a journey through

Space. We looked at the constellations, the planets, the sun and the moon. We had great fun on our space adventure." Report by Class 2C.

National Young Mathematician's Award

"Bekki, Beck, Bo and Jacob took part in the Young Mathematician's Award at Explore Learning in Southborough yesterday. There are three rounds of competition and we hope to make it to the final round at Cambridge University. The whole theme around our problem solving was all centred squares. After we had completed the tricky questions, we had to prove our theory to a member of staff. We learnt so much from that afternoon and thoroughly enjoyed ourselves. We would really like to thank Explore Learning for hosting such a great event!" Report by Bo, 6E

Miss Wilson later received a call from Explore Learning to say how our children are a credit to the school, which is lovely to hear.

Full Names & Class

Please can we ask that you put your child's full name and class on anything you hand in to their teacher or to the school office. A first name isn't always obvious to the office staff. For example we have six Alfies in the school!
