PTFA Christmas Fair

Thank you for your very generous donations over the last few weeks. The PTFA Christmas Fair takes place tomorrow, Saturday 2nd December from 11.30 a.m. until 2.00 p.m. We look forward to seeing you there!

Cosmic Classroom

On Monday Years 1 and 2 experienced travelling through space with the Herstmonceux Observatory. The cosmic classroom is a dome with a light show in the roof, so the children sat in the dark visiting the different planets and the moon and talked about their construction. The children loved flying around the solar system and were amazed by the size of our universe.

Able Writers' Workshop

"On Tuesday four children from Cage Green got together with children from other schools, and went to Stocks Green for the Able Writers' Workshop. We had a great day there as we got to meet an author and write a news report. We wrote about Noah who was blamed wrongly for smashing the canteen window with a football; and he also got abducted by aliens! We had a deadline of 15 minutes to write up a descriptive paragraph about these stories. We learnt about journalism and different techniques. Everyone shared their ideas which meant everyone learnt something new!

We all had a great day and a lot of fun." Report by Sophia and Nicholas, Year 5.

Year 6 Christmas Experience

"On Wednesday Year 6 visited The Parish of St Peter and St Paul's Church for a Christmas Experience. The walk down to the Church was extremely cold! We then split into three groups per class and went around the church to experience the birth of Jesus and why we celebrate Christmas. Some activities included role-play and dressing up as Mary and Joseph." Report by Elliott, 6R

6R Class Assembly

"Today, my class, the lovely 6R, performed their last class assembly in Cage Green Primary School. Each part was put together by separate groups. We practiced but it didn't go so well, however we never gave up and we cracked it just in time for the performance.

I was one of the presenters and so I had to come on before each performance to tell the audience what was coming up next. We had also prepared a small comedic section about pizza. (If you watched the performance you know what I am talking about!)

Out of all the parts, in my opinion, topic was the best and I think that the rest of KS2 agrees with me judging by the laughs when our caveman (Jack) was hit around the head with an inflatable club, which magically made him smarter!

We hope you enjoyed our last class assembly." Report by Mia
