Football

Well done to the 'B' team who played East Peckham at home on Wednesday, winning 3-0. They played an evenly matched first half, when neither side could score. Dillon in 6R showed strong control of mid-field and eventually broke through and scored just before half time. Reece in 5N made a magnificent save after East Peckham had broken through our defence, which kept the score at 1-0 in our favour. During the second half the Cage Green squad changed frequently. This disrupted flow of play, however Cage Green scored a further two goals. One by Jake in 5H and another by Bradley in 5N. Even though he only played half a game, Jake in 5H, should be congratulated as B Team Man of The Match.

Netball

Cage Green played very well against East Peckham at home on Wednesday but East Peckham went home with a win. The Netball Team are to be congratulated on their team spirit which is wonderful! They have had a tough season as our team is mainly made up of Year 5 players and they are regularly up against teams made up of Year 6 players. Despite this their enthusiasm shines through and they do very well to compete.

Stone Age Day

On Thursday 12th February Year 3 held a Stone Age Day. First thing in the morning we researched Stonehenge and the reasons why it was built, one of which was that it was used as a calendar. We then built our own replicas of this in groups using clay and pasta. After that we explored seasonal food and what Stone Age people would have eaten. We made our own Stone Age soup without using knives and modern day tools, this was very tricky! We ended our exciting day by eating our soup around an open fire like Stone Age people would have done. Some people thought it was delicious. However some thought differently! We also sang songs. We role-played being animals and hunters in the playground and discussed the different weapons they used. All of Year 3 had a fantastic day (except for some peoples' ideas on the soup!) Report by Elliott, Imogen, Mia and Niamh, Year 3

'Wasted' by Theatre ADAD

Today Year 6 watched a play called 'Wasted' by Theatre ADAD. It helped us realise how bad drugs really are and how addictive they can be. After the play finished we were talked through the differences between bad drugs (illegal drugs) and good drugs (medicine). We also learnt how good drugs can harm you if you take an overdose. Overall Year 6 has learnt a valuable lesson; we know for sure that our time definitely wasn't WASTED! Report by Miah, 6E and Grant, 6R

Teaching Pianos

Cage Green and Music Station held a concert before Christmas and the money raised has bought two new teaching pianos which will be delivered during the half term. This means piano lessons can start at Cage Green after the half term which is very exciting!

Easter School Courses
