Red Nose Day

So far we have raised £230 in donations for Red Nose Day. There is still money coming in and if you haven't already, you are welcome to make your donation on Monday. Thank you for your support.

Mia in 3L stuck as many Red Nose Day stickers to her face as she could in one minute. She managed to stick 36 and has raised £126 so far for Comic Relief. Well done Mia!

Yasmin, Anne-Marie, Gurpreet, Amelie, Poppy, Tayla, Owen, Aiden, Isabella, Joel and Ella all worked together to raise money for Comic Relief. This included designing posters, icing biscuits and selling them. In total they raised £153.33. Well done to all concerned.

"Over the last couple of weeks we have been running a stall to raise money for Comic Relief. On Thursday and Friday we sold biscuits, loom band rings, colouring books and joke books." Report by Yasmin, Anne-Marie, Gurpreet in Year 4.

Inspire Project

As part of the Inspire Project on Monday 9th March, 10 young art leaders went to the Phoenix Centre to make some decorations for their launch of the new outdoor area and for their Arts Award.

"First, we had to plan what we were going to build. We had help on the big project from Wendy and Charlotte-professional artists. It took some time but we finally came to a decision that we were going to make a mobile out of foiled paper and plaster fingers - our own fingers, from alginate moulds. To see if the mobile and fingers would work we had to try it out first. It was very fun!

After that we went to the Phoenix Centre and the first class we went to was the Dragon class. They had a demonstration from three of the young leaders and then Wendy set us off to do our task. We only had an hour to do it! All of Dragons young leaders managed to fill up four coat hangers! Meanwhile Wendy was doing 'fingers' with them to put on display for their launch day.

The second class we went to was the Unicorn class; it was a bit tricky but at the same time, both Unicorn class and the artists had a fabulous time, while Wendy was doing 'fingers'. Apparently it felt like jelly, that is what they told us.

The last class we worked with was Griffin class. They all enjoyed it as much as we did. Luckily we succeeded in our task and everyone had a great time doing it! If you would like to see the results, please look at our display in the entrance hall - coming soon!" Report by Abigail, 6E

Football

This week's football report is written by Tom, James and Oliver in Year 5.

"On Wednesday 11th March there was a clash between Hildenborough and Cage Green Primary Schools. The two teams had met earlier in the season and Cage Green had won 3-2. This time, Cage Green won 4-0 with Jamie scoring early in the first half and Ben getting a hat-trick in the second half after coming on as a sub. Reece played his first match for the A team as goalkeeper, keeping a clean sheet, with Hildenborough hitting the post three times and missing an open goal. The seven-a-side match lasted 35 minutes.

Hildenborough's pitch was very bumpy and muddy so the ball was sometimes bobbling about uncontrollably. The team was Reece, James, Dean, Jory, Matty, Oliver, Tom, Jamie, Ben and Grant."

Netball

This week's netball report is written by Summar, Madison and Flori in year 5.

"On Wednesday 11th March we played Hildenborough Primary School. We lost 9-1. We played away, not at home. On the first quarter Bekki in 5H had a shot and scored. Hildenborough then scored three. In the second quarter they scored two. In the third quarter they scored four.

Then in the fourth quarter Summar, Maddy and Flori took a shot and nearly scored but we missed! We were so close. All the girls were really tall but we tried our hardest. Now we are going to get more practice on Monday lunchtime and Wednesday afternoons. We look forward to seeing new players hopefully.”

We would like to thank Mrs Humbles who has kindly volunteered to run the additional netball practice on Monday lunch times.
