British Science Week

As part of British Science Week Quantum Theatre visited on Thursday.

Here is a report by Sophie, Isabel and Amy in 4MC

“This science week has been awesome and we’ve all enjoyed it. We have done many things, including: a Quantum Theatre production; Zoo lab animals; extracting DNA from strawberries and much more! As part of Science Week we will be holding a competition. You can make models or take photos of your findings and hand them into Mrs Creed and Miss Wellington. The deadline is Thursday 26th March. The best ones will go on display in the Entrance Hall. The winner gets a science goody bag!”

15 girls in Year 5 have been selected to take part in an exciting visit to Hillview School for Girls Science Department today. During the visit they will be using the new laboratories to take part in fun activities.

Choir Competition

Cage Green’s pop choir took part in the Tonbridge Junior Schools’ Choir Competition at the River Centre on Wednesday 18th March. Seven local schools took part and everybody sang amazingly. We performed “Uptown Funk” by Mark Ronson and Bruno Mars and “Hey Jude” by the Beatles. We were very proud to come joint third. We were complimented on our singing, dancing and enthusiasm and Bruno in 5H was complimented on his wonderful rap. Well done to all Cage Green singers! You really did a spectacular job!

Unicorn Class Farm Visit

Unicorn Class will be visiting Miss Wickham’s family farm on the morning of Monday 23rd March as part of their topic on ‘Spring and Easter’. They will be meeting and feeding the lambs and will hopefully watch some being born. If the weather is good they will take a walk in the fields too.

World Autism Awareness Week - Friday 27th to Thursday 2nd April

To mark this event PACT will be carrying out a number of activities to raise money and the profile of autism in our school. As mentioned in last week’s bulletin, next Friday, 27th March, they will be holding a cake sale. The theme will be ‘Pink and Purple’. Any donations of cakes and delectable goodies towards the event would be gratefully received. Thank you.

Wednesday 1st April will be wear Pink and/or Purple day, with a suggested donation of £1 towards the National Autistic Society.

On Thursday 2nd April there will be a Flash Mob Dance outside Marks and Spencer’s in Tunbridge Wells, Royal Victoria Place. At 11.30 a.m. Ridge View pupils, staff and parents will be doing a short dance routine and handing out leaflets. Everyone is encouraged to wear blue and come along and join in.

Class Photographs

Please note that class photographs will now be taken on Tuesday 28th April, instead of 26th March as previously advised. So please send your children with nice big smiles that day! Thank you.

The First Glimpse of Neverland

The first glimpse of Neverland was a shock!
The colourful land within their dreams,
Shattered by the dark gloomy uninhabited island
They see before them:

Faint outlines of trees,
Then a howl of a wolf...
And the sound of the calm ocean
Creeping in on the rich golden sand,
Reflecting the moonlight like a trillion sequins!

A gentle gust of wind
Pushing the fog which smothered the island...
Anchoring itself to the thick mountains
Towering over the luscious jungles,
A small ray of sunshine emerging from the dense cloud cover.

From in a lake a large crocodile with barbed wire teeth
That can tear through flesh!
Birds humming the same majestic tune,
Littered with colours: turquoise to teal,
Tigers hunting like assassins:
Dark grey smoke rising from the East of the native tribe's camp fires,
Crickets croaking in the tall thick grass.

The same old ships circling the island
Like a predator hunting its prey!
