Last Year's Reports

Scholastic Book Orders

Monthly book orders can be placed on-line. This will ensure that order forms and cash are not left in school bags for days on end! To place your order, visit. <http://schools.scholastic.co.uk/cage-green>

Paper orders can still be sent into school should you wish. Orders should be placed before 10th October 2014.

Tonbridge Half Marathon

PACT have been chosen as one of the main charities for the Tonbridge Half Marathon on Sunday, (28th September). We have a small team of runners taking part so please cheer them on if you are going to watch! PACT will have a stall at the event in the Race Village at West Kent College so please pop in and say hello! PACT also have a fundraising page for the event and if you wish to donate please go to: <https://mydonate.bt.com/events/pacrunnerstonbridgehalf/185913>

Thank you

Year 5 visit to Music Station

When the children arrived at the Music Station studios they listened to various pieces of music, produced by different instruments. They were then split into 4 groups, when they were able to create their own music with each of the instruments demonstrated. They also created tunes on the ipads. They had a fabulous time, so much so, they were a little late back to school!

Liberty and Tylycia

Year 5 & 6 visit to the River Medway

On the 23rd September, Year 6 & 5 went on a field trip to the River Medway. They walked to the Castle, assisted by 8 teaching staff and 4 parent helpers. The children were split into 8 groups, with one activity every 30 minutes. The sessions included: a sketch of the river looking at the Castle moat looking at different types of leaves to write a poem about the river make a Geographers field book and look at Tree classification.

Year 6 and 5 enjoyed every moments of their visit and now know a 'boat-load' about the River Medway.

Abi and Jory

Free School Meals

Don't forget that if you are entitled to free school meals, please apply for them. (even if your child is unlikely to eat lunches at school). The school receives extra funding for each child registered and this money is used to fund extra interventions and resources.

Medical Information Forms

It is time to check that the medical information we have on children is up to date. If your child has a medical condition or has been diagnosed with one in the last 12 months please complete and return the attached Medical Information Form. On receipt of these we will send home a more detailed form should it be necessary. Thank you

Last Year's Reports

When the reports were sent home in July we asked that the copy report was returned together with the school prospectus, in the plastic zippy wallet. We still have many reports that have not been returned at all or have the prospectus or wallet missing. These will be sent home again in July 2015 with this year's report, therefore it is vital that they are returned.

Thank you.
