Autism Friendly Day at Toys R Us

The store will be open from 9.00 a.m. to 11.00 a.m., with the tills opening at 11.00 a.m. There will be reduced fluorescent lighting, no loud music or announcements. This event is exclusively for families with children with special needs.

Friendship Week

The children have been working with each other this week and making new friends throughout the year groups. Squeals of excitement filled the air this afternoon as 422 blue balloons floated into the air, taking with them messages from the children.

We are all looking forward to seeing how far the balloons travel and receiving good wishes from abroad.

Netball

Don't forget that netball is on Wednesday again next week.

If your child has not brought home their letter to book your parent consultation, please check their bags and return your request as soon as possible. Thank you
